aren't you glad to see he's on the job?

-or more?

do you just belong ?

are you an active member
the kind that would be missed,
or are you just contented
that your name is on the list?
do you attend the meetings
and mingle with the crowd,
or do you stay at home
and crab both long and loud?
do you take an active part
to help the work along?
or are you satisfied to be
the kind to "just belong"?
there is quite a program scheduled
that means a success, if done,
and it can be accomplished
with the help of everyone.
so attend the meetings regularly
and help with hand and heart,
don't be just a member
but take an active part.
are you an active member?
are you right or wrong?
are you an active member?
or ... do you just belong?

DESIDERATA

Go placidly amid the noise & haste, & remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly & clearly; and listen to others, even the dull & ignorant; they too have their story. *~* Avoid loud & aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain & bitter; for always there will be greater & lesser persons than yourself. Enjoy your achievements as well as your plans. *~* Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is; many persons strive for high ideals; and everywhere life is full of heroism. *~* Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity & disenchantment it is perennial as the grass. *~* Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misfortune. But do not distress yourself with imaginings. Many fears are born of fatigue & loneliness. Beyond a wholesome discipline, be gentle with yourself. *~* You are a child of the universe, no less than the trees & the stars; you have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should. *~* Therefore be at peace with God, whatever you conceive Him to be, and whatever your labors & aspirations, in the noisy confusion of life keep peace with your soul. *~* With all its sham, drudgery & broken dreams, it is still a beautiful world. Be carefull. Strive to be happy. *~*
